### 4. GEBRUIK VAN ALKOHOL TYDENS SKOOLAANGELEENTHEDE USE OF LIQUOR DURING SCHOOL EVENTS

Die beheerliggaam het die gebruik van alkohol tydens skoolaangeleenthede bespreek en die volgende besluit is geneem. Sekere skole het die gebruik van alkohol totaal verbied. Ons is sensitief en terdeë bewus van die voorbeeld wat ons vir ons kinders moet stel, maar ons het besluit om 'n gebalanseerde aanslag te gebruik en nie 'n algehele verbod op die gebruik van alkohol tydens sekere skoolgeleenthede te plaas nie.

Om dus 'n gesonde en gebalanseerde kultuur vir die gebruik van alkohol te skep, sal die reëls en vereistes vir elke geleentheid, op meriete beoordeel word: bv. Die aard van die geleentheid, plek en tyd, sal bepaal of alkohol toegelaat sal word of nie.

Ons glo dat hierdie 'n goed deurdagte en verantwoordelike besluit is en vra dat ouers dit sal ondersteun en respekteer.

The Governing Body has debated the issue of the use of liquor during school events where our children are present. Notice has been taken that some schools have imposed a total ban on the use of liquor under these circumstances. Clearly, we all need to be very sensitive towards the influence on and example we set for our children. We believe that a balanced approach is called for, and with this in mind it was decided not to impose a blanket ban.

However, in the interest of promoting a healthy culture regarding the use of liquor, it was decided that each event will be assessed on its own merit, and that specific requirements will be communicated for each event; these may include, amongst others, restricting the use of liquor to a specific area on the school premises or for a specific time. We believe this to be a responsible approach and request parents to support this decision.
