By the end of the month we hope to have the Bulletin e-mailed to all our parents.

*Ons beoog om die Bulletin teen die einde van die maand na al ons ouers per **e-pos** te stuur.*

Vir 'n boodskap in verband met sportoefeninge, wedstryde en opgedateerde inligting, skakel *120*494*777*19# (stoor hierdie nommer as iText). Dit word daaglik om 12:30 opgedateer.

3. E-SAFETY

Children are much more aware, capable and interested in keeping up with technology than their parents. Unfortunately this leaves children vulnerable to exploitation, as parents and educators are not equipped to advise children on the responsible and safe use of technology. This website aims to provide and equip parents and educators with basic yet vital E-Safety advice and information.

www.esafety.co.za

Kinders is baie meer bewus, bekwaam en stel belang om ingelig te wees oor tegnologie as hul ouers. Ongelukking is ons kinders dan kwesbaar aan uitbuiting omdat ouers en opvoeders nie toegerus is om kinders raad te gee oor die verantwoordelike en veilige gebruik van tegnologie nie. Hierdie webwerf se doel is om ouers en opvoeders toe te rus met basiese, en tog noodsaaklike, E-Safety raad en inligting.

4. COMPLIMENT TO NETBALL AND HOCKEY TEAMS

From Jenny King (SA woman's hockey coach)

"I happened to be attending the Waltons Hockey and Netball Tournament last week in Somerset West, and wanted to feed back on how impressed I was with the Kenridge kids. Firstly, they were very polite. I had the opportunity of striking up a conversation with one of the little netball teams. Great manners and very excited about their netball! Secondly, your teams were all impeccably dressed and had real pride in their team uniform, which was great to see. Thirdly, when I handed out the medals to the teams (mostly Kenridge on the podium) they made eye-contact, gave a good handshake and all thanked me very politely.

It was a pleasure watching your coaches dealing with the children, I hope they realise what a good example they are setting and the good leadership and life skills they are ingraining in your pupils. Well done to pupils and staff"
