10 May - 17 May 2011

Girls First Team is Tops!

They played their first hockey tournament at Somerset House on the 16th of April. Even though this was their first appearance for the

year, they did very well by coming over all second, receiving silver trophies after having some strong Boland school teams as their opponents. Won 2, drew 1 and only lost with 1 point to the hosts; Somerset College. The girls did Kenridge and their coaches Jill and Clinton proud.

Last week they played two matches. With both games they were the stronger teams mostly playing only in the opponents half of the field, obviously visiting the D of both their opponents Eversdal and Durbanville regularly. With many attempts at

goal, they only managed to get 2 goals in each of the games. They won both games; Eversdal 2-1 and Durbanville 2-0.

The goals were scored by Lara and Kaylen.

Another great achievement is that five 1st team players have been selected for the WP A and B squads.

Well done to our girls and good luck for a very promising season ahead.

From your editor.....

We are back! The season has got off to a roaring start. Despite all the public holidays and school holidays, Kenridge is showing yet again that we are the school to beat!

PLEASE send me your reports and photos - I want as much information in this report as possible. All reports that were sent to me are included in this newsletter. The kids love to see their pictures in the newsletter and now that we are in the School Communicator everyone can see our hockey players!

You can send reports and photos to ktmade@gmail.com. Thanks!

U8 Girls Win!

On the 11 May 2011, the U/8 A and B hockey girls played a match at Eversdal Primary. It was the girls first match of the season and they played like absolute stars. Both teams won both of their matches and the afternoon was enjoyed by all.

U8 Boys Start the Season with a BANG!

Wow! What a wonderful start to the season with over 35 enthusiastic U/8 boys enrolling to play hockey. We sent two teams to play at the Eversdal/Kenridge match. Fun was had by both teams and a lot of learning about the game

continued to take place. The games ended with a loss to the A team of 2/1 and a win to the B team of 5/0. Well done, boys! You all played well! We look forward to giving some different boys a chance to play at the upcoming matches.

Your hockey coaches, Mrs Keys, Mrs Jordaan and Miss Crump.

The Kenridge U/12A and B-teams started their season with a bang by winning consecutive matches on Wednesday 11 May and Thursday 12 May.

On Wednesday the A-team took a while to get out of the blocks against Eversdal U/12A. As the half progressed, Kenridge found their rhythm and managed to lead 3-0 at the interval. In the 2nd half they created numerous scoring opportunities but the finishing touches were lacking. The home team won the one-sided match 7-0 with Johann Otto grabbing a hat-trick through great work on the far post. Nicholas Giger scored twice while both Daniel Rajh and Luke Visser scored once.

The B-team won 3-0 against Eversdal U/12B. The final score was misleading as the game was a topsy-turvy affair with both teams having an

Kenridge Hockey 2011

U12 A and B Boys Record Back to Back Wins!

equal number of scoring chances. Chad Foord kept Kenridge in the game with two fantastic saves in the box. Eckart Kassier managed to gain field advantage for Kenridge with his power hitting from free-hits on countless occasions. Henco Scriven was sublime at center-half as he pressurized the Eversdal defence time after time. Francois Giliomee tapped in the first goal after which Leo Gous finished off two counter attacks to secure a well deserved win.

On Thursday the A-team payed a visit to Durbanville and found their neighbours a much tougher proposition than Eversdal the previous day. Nicholas Giger converted a fabulous solo effort in the 1st

half. Much of the play in the 1st half took place between the two 12-meter areas as both teams played a fast attacking game but found each others defense up to the task.

Early in the 2nd half Nicholas Giger tapped in the second goal. Then Daniel Burton stepped-up and took control of the midfield and Kenridge subsequently enjoyed a long period of total domination during which numerous shots were taken at the Durbanville goal. Was it not for some fantastic goal-keeping in the Durbanville box, the game would have been done and dusted long before the final whistle.

Unfortunately the Kenridge defense experi-

enced a lapse in concentration during the final moments of the game and conceded a goal just prior to the end of the game. The 2-1 result, a good one against a resilient opponent that never gave up.

The U/12B-team traveled to The Settlers High School with Mrs Müller to play against Vredelust U/12A. Kenridge proved too strong and won 3-0 with Brandon Erasmus scoring once and Henco Scriven twice. Henco followed up his heroics from the previous day with another stirring performance. Eckart Kassier was solid in defense once again. A great achievement for a player who only took up hockey this season.

U12 C Boys Do Their Best!

The U/12C1-team played against Durbanville U/12B. The hosts were too strong for Kenridge and was it not for Mikael Barnard's rock solid defense at the back the score would have been much bigger than the 1-4 result final result. Michael Basson finished off a great individual run to score Kenridge's only goal. The

boys did however improve as the match wore on and they showed that with some more match experience they definitely have the ability to improve.

The U/12C2-team had their work cut-out against Durbanville U/12C. Breathtaking goalkeeping by Daniël Hugo and Johnathan

Dietz's defense at sweeper managed to keep the Durbanville attackers at bay. Eventually the hosts broke the deadlock with a goal. Two minutes from full-time Michael Basson scored and Kenridge managed to hang on valiantly for a much deserved 1-1 draw. Well-done to all the boys!

U14 B Boys!

U14B boys hockey match vs Vredelust u14A

Our u14B boys took on the might of Vredelust u14A's last Thursday. The Kenridge boys played exceptionally well, beating Vredelust 3-0! Well done boys on your excellent win!

U12 Girls start their season on a high note!

The U/12 girls hockey teams were plagued with illness this week, but none the less had a great week of hockey. Many players played 2 games, with some even playing 3 in a row. Elke span het hierdie week drie wedstydte gespeel – Woensdag teen Eversdal en Donderdag teen Durbanville. Die A en B

spanne het hul wedstydte teen Eversdal gewen. The C team fought hard and were very determined, but lost their match. On Thursday, the C team played a very tight game against Durbanville C. Playing without a goalie, they narrowly lost their game. Die A en B spanne het teen Durbanville ge-

wen. Thanks to Toni and Jenny for stepping in at the last minute to play for the A team. Geluk aan al die meisies wat gespeel het. Ons is BAIE trots op julle!

U9 Boys Start the Season STRONG!

Die Onder 9A-span het Woensdag teen Eversdal gespeel. Ons het 'n ongelooflike wedstryd gehad en met 5 – 1 gewen. Ons voorspelers het die doele geskiet, terwyl ons agterspelers die Eversdallers moes weghou uit die doelhoek. Al die spelers

het ongelooflike hokkie gespeel, terwyl die hulle pragtige maniere openbaar het. Baie geluk aan die 6 Kenridge hokkiesterre!!

The U9B boys played their first hockey match of the season, against

Vredelust B. It was an exciting and nerve racking game!!

Malik Kherekar prevented Vredelust from scoring two goals. He got rid of the ball very quickly.

The final score was 1-1 and the Kenridge goal was scored by Heinrich Crous.

u/14B – 5-0

Somerset House Hockey Tournament 2011

On Friday afternoon the 15th of April, a large contingent of Kenridge hockey players went through to play the first tournament of the season at Somerset House. Each team played 4 games in a Round Robin tournament. We are proud to say that each one of our teams finished in the top 3 . Our U9 girls actually won their group. The children all played beautifully and showed just how strong Kenridge Primary School is on the hockey field. Their manners and sportsmanship were great and we walked away proud!
