Boys First Team – Up there with the best of them!

The boys' First Team started off their 2011 Campaign by taking part in a Hockey Tournament hosted by Somerset House. It was the first time that our lads had played a match together, since reaching the 'Pinnacle' of their Primary School careers & being honored with First Team selection. The team played with enthusiasm throughout the Tournament & used the opportunity to try out various players in alternative positioning. Amid the stormy windy conditions, we managed to secure overall third position in the Boys Section in the Tournament, well done GUYS.

The Team's First official match of the season was against Eversdal Primary. Our Kenridge Boys were the stronger of the two teams by far, we dominated in all areas & where unlucky not to secure a larger

win than 4 – Nil.

Ons volgende wedstryd van die seisoen was teen Laerskool Durbanville. Our lads took the game to their opposition right from the start & and showed their superiority with an overall victory of 5 goals to 1. The third game of the season was against Panorama Primary, on Fairmont's Astro turf. Panorama Primary have often over the years, normally been the team that have been the stiffest opposition for our Kenridge Team. The game was played at a rapid pace on the Astro surface, with our Kenridge lads showing the upper hand throughout the game. Their weekly practicing on the Astro surface playing dividends to their performance. Ons het hierdie wedstryd uiteindelik 3 – 0 gewen.

Our Fourth game of the season was against

Gene Louw Primary, hailed as being the "Kings of Grass". Both teams played attractive hockey, with play moving up & down to each other's goal areas repeatedly. We looked good on attack, defended well & put in an overall good team effort. Die Kenridge toeskouers was baie opgewonde gedurende die wedstryd, en hulle was baie trots op ons seuns wat so goed gespeel het. Our Kenridge lads used their scoring opportunities more so than Gene Louw & were rewarded with two well worked team goals for their efforts, with the Final score being 2-0 to Kenridge.

Our Kenridge lads will be back next week to show their worth, watch this space for exciting reports.

U14C lost 0-2 vs Wel-

The u/10 A & B hockey girls played against Gene Louw on Thursday afternoon. Die meisies het weer eens Kenridge se naam hoog gehou met oorwinnings vir beide spanne. The B team played their match first and it was quite evenly matched with excellent defence by Mila Trevor, Rachel Vermaak en Margiét Stassen. Gene Louw couldn't break through this defence! Die voorspelers het

goed saamgespeel en die bal mooi beheer en kon daarin slaag om 5 doele aan te teken. Special mention must be made of Kayla van Loggenberg, who played her heart out. Geluk Dogters! Die A – span het puik hokkie gespeel. The strikers played brilliantly and great hockey skills were on display. Diana Marnewick, Carla Hollander en Dayna Janson played like true professionals and scored 2

goals in the first half and 3 goals in the second half. I am so proud of you. The defenders were as solid as a rock in their defence and Gene Louw could only score 2 goals. Well done, Jeanri Thomas, Imke Engelbrecht en Marcelle Paken-dorff. Ek wil hierdie 12 dogters bedank vir wonderlike sportmangees en puik maniere. It is an absolute honour to be your coach!

U7 Boys Start Their Hockey Careers!

The U/7 boys played their very first hockey match this season against Curro on Thursday 26 May 2011. It was so exciting for the boys, parents and teachers alike. The boys played their hearts out and attacked and defended well. We played a mix team against Curro's A side, but Kenridge did not disappoint.

The super defence of Miles Blount, Marcel Herselman en Joshua Calmeyer, together with the excellent attacking skills of Dean Brown, Liam Fernandes and Joel Bridge secured a win of 2-1 to KPS!

Well done to the U/7 boys for their excellent sportsmanship and great manners during the match.

We are looking forward to many more exciting matches during the season.

U8 and U9 Girls play Gene Louw!

On Thursday, 26 May 2011 the u8 and u9 girls played against Gene Louw. There was great excitement in their and all the girls played their hearts out! It was really wonderful to have of the parents on the sidelines supporting the girls and

the atmosphere was amazing. It truly was a memorable afternoon for all, whether we won or lost it didn't matter as fun was had by all!

Front: Joel Dridge, Mrs du Preez and Liam Fernandes

U/12 GIRLS REACH NEW HEIGHTS!

On Wednesday, 25 May, the U/12 girls played their first full field match. They spent their practice the day before learning the different rules, positions and developing a game plan for this new format of the game. Hulle was baie opgewonde om te speel en het vir Mev. Viljoen en Mej. Goslett

verbaas met hul goeie vertoning. The girls beat Gene Louw's U/12 team 10-0. The girls put into play what they had discussed the day before and played brilliantly. The players' of the match are Kelly Vroon and Mika Ger-ryts for playing so well together on the left as the link and striker.

Baie geluk aan al die meisies wat gespeel het. Julle was fantasties!

U/7 boys:

A vs Curro Won 2 - 1

U/8 boys:

A vs Gene Louw Drew 1/1

B vs Gene Louw Won 2/1

C vs Curro Lost 4/0

U/7 girls:

B vs Curro Won 2 - 0

U/8 girls:

A vs Gene Louw

Won 5 - 1

B vs Gene Louw

Won 6 - 1

C vs Gene Louw

Lost 2 - 1

D vs Curro

Lost 3 - 0

U9 Boys Have Mixed Results Against Gene Louw

The U9 B boys got this afternoon off to a great start with a 6-1 victory over Gene Louw. Aiden, Alexander and Liam were relentless in their pursuit of the goals while Nicholas, Malik and Alex provided a strong wall of defense. Well played and great teamwork guys!

The U9 A boys had another tough game. The boys were quite evenly matched and fought every minute of the game. Richard, Jean-Luc and Matthew were passing

beautifully to each other but just kept getting shut out by Gene Louw's defenders. Dylan, Heinrich and Joshua put up great defense of their own goals. They were unlucky to lose the game 2-1. Better luck next time!

First Team Boys!

U12 BOYS GET A TASTE OF FULL-FIELD HOCKEY

On Thursday 26 May the Kenridge U12B boys' team played against Gene Louw U14C in a closely contested match. It was the first time the Kenridge boys played 11-a-side on a full-field.

The players initially had some trouble adjusting to the bigger field. They managed to settle and Michael Basson scored to put the visitors 1-0 ahead at the break. Michael, playing at centre striker, and his two striker counterparts, Tiaan Spangenberg and Devon New, reveled in the amount of space available to them and duly launched several attacks. Tiaan was on hand at the far post to score his team's second goal midway through the second half. As the match drew to a close, Kenridge made an error in committing too many players in attack. This left them vulnerable in defense and Gene Louw capitalized and scored twice to level the match.

In the end the 2-2 result was a fair reflection of the match. Henco Scrivenn and Mikael Barnard were the stalwarts in defense while Jacques van Schalkwyk controlled the mid-field with ease and distributed the ball brilliantly to his forwards. Well-done guys and

keep up the good work.

On the same day the U12A boys played against Gene Louw's U14B-team. Kenridge had too much firepower for their opponents and dominated the game from the start. By playing the ball short and attacking wide, they managed to penetrate into the opposition's circle at ease.

Matthew Setzer must have thought that Christmas came early this year as he received countless pin-point passes from his links with lots of space to his disposal. He cashed in on the possession he received and scored 3 goals. Nicholas Giger scored twice, of which one was a fabulous reverse stick effort. Luke Visser, Craig Catto and Daniel Burton all scored one goal each.

The boys proved again that teamwork is the best ingredient for playing good hockey. Craig Catto once again had a faultless game at the back while Emile Visser was a thorn in the opposition's flesh with several vital interceptions. Daniel Rajh and Luke Visser did the hard labour in the midfield while Daniel Burton distributed the ball exceptionally well. Daniël Möller

Some Individual achievements, Congrats to the following players who have been selected for the following representative Teams: WP A – Christiaan Coetzee WP B – Romario Camara Zonal A Team – Julio Fernandes, Ross Sherwood, Jason Vermaak, Keegan Harrison Zonal B Team – Joshua Truter, Mazaula Malunga, Justin Reineke

U14B BOYS HOCKEY

made numerous important clearances while Johann Otto did very well with the limited amount of ball he got on the left.

Well-done guys, but remember there will be much tougher challenges ahead.

Our u14B hockey boys are becoming a team to be watched this year! They have shown skill, guts and determination, coming from behind on more than one occasion to clock up a win.

They beat Gene Louw 4-1 last Wednesday, with Douw Steyl scoring an impressive hat trick and Alistair Cairns catching the defense napping to score a very good individual goal!
