Dear Parent

JUNE-JULY SCHOOL HOLIDAYS

Schools close on 9 June 2010 for five weeks. It is important that your children keep learning in this period.

In order that the learning gains made in the first two school terms are not lost, all learners, from Grades R to 12, should ensure that they read, write and calculate every day.

Your role in this is paramount. The WCED has provided ideas of what parents can and should do to support learning in the next five weeks. Please consult the WCED website or your school for this information.

The WCED has also arranged a number of programmes during the holidays which your children may attend:

1. Many schools are arranging an academic programme for one or more weeks of the holidays. Ask your principal for details of this programme.
2. The WCED Safe Schools Programme has arranged a variety of sport and other activities for the first two weeks of the school holidays. Details can be obtained from your school or from the Safe Schools Call Centre at tel. no. 0800 45 46 47.
3. The district office will offer a variety of tutor programmes for Grade 12 learners. Details can be obtained from your school or the district office.

There are also venues available for safe study purposes. The tutor- and study rooms will provide past examination papers, textbooks and study guides for use by learners.

On behalf of the WCED, may I wish you a happy and safe holiday with your children.

Kind regards

PA VINJEVOLD
