Welcome to all. We here at Kenridge Primary After School Centre bid you a warm invitation to join our extended school in the afternoons. We offer a valuable service to our community. We are proud of our facilities, our staff and our learners.

The After School Centre was started way back in 1992. Peri Celliers and Hettie Cronje was in charge of the centre at that time. The huge growth is all due to hard work of energetic people such as Lorna Rutter, Juanita van der Merwe and the wonderful support from the Governing Body and the Principal, Mr Greg Albrecht. The dedicated staff created a good, functioning Centre.

We are proud to say that we are more determined than ever to provide the very best care for all our learners.

The After School Centre soon drew special people who wanted to work here, many of whom are still here today.

We accommodate learners from Fledglings, Kenridge Pre-Primary and Kenridge Primary School.
