

# Safety

Be careful when you work and play.

Play inside on rainy days.

A black stick figure is shown slipping on a star-shaped object on the ground. Motion lines around the figure suggest a sudden fall.

Say no to strangers.

A black stick figure stands alone, representing a child in a situation where they might encounter a stranger.

Stay off and away from fences. Only climb trees where allowed.

A black stick figure is climbing a tree. A fence is visible in the background, illustrating the warning to stay away from fences.

Cover open wounds with plasters.

A black stick figure is applying a plaster to their forehead, demonstrating first aid for an injury.

Use apparatus correctly under educator's supervision.

A black stick figure is using a yellow apparatus, possibly a fire extinguisher or a tool, under supervision.

Stay in the school grounds during school hours.

A black stick figure is running away from the school grounds, with a question mark above their head, indicating a lack of awareness or a warning.

Work and play safely with your friends.

Two black stick figures are running and playing with a yellow ball, illustrating safe play with friends.

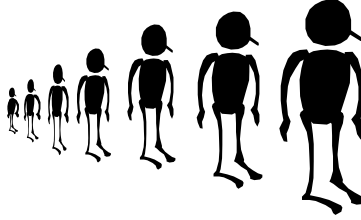

Do not throw stones.

A black stick figure is holding a stone, with a question mark above their head, illustrating the warning not to throw stones.

Play ball games on the field.

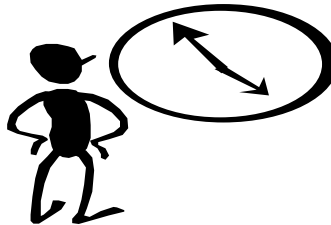

No running on the stoops.

Hold onto the railing when climbing the stairs.

Keep calm during fire drill and leave the building at the nearest exit.

# We care !

Let's apply these **attitudes and values...**

- ❑ In the **classroom**
- ❑ On the **playground**
- ❑ On the **sport field**
- ❑ On **excursions and outings**
