ADVERTISING OPPORTUNITIES

Distributing flyers to all children

Should you wish to distribute flyers to all children in the primary school, the cost will be R800. Flyers are distributed twice a month and the maximum size of the flyer is half an A4 page. Should you wish to make use of this service, we will send you the class lists, as the eldest and only child in each family will receive a flyer.

The flyers must then please be delivered sorted into the relevant classes, with the correct number of flyers for each class.

For further information, please contact Pam Harrison on pam.harrison@kenridge.org.za.

Ken Ads

The Ken Ads appear on the school website as well as on School Communicator, and are updated on a weekly basis. Advertisements which are included in the Ken Ads are thus accessible to all of our parents.

With more than 1 600 children at Kenridge Primary, this is an effective way to create awareness of your brand and to advertise. Details regarding the size and cost of the adverts are included below.
