HISTORY Textbook pages 78 & 79 Workbook page 28	• Read the information about POTTERY on page 78 and 79 of your Textbook. • Open your Workbook to page 28, rule a margin and then write the date and the heading (Pottery p 78-79). • Copy the following note neatly, in cursive, into your book. Date Pottery p 78-79

	1. <u>Making pots</u> was the work of the <u>women</u>. 2. They made pots out of <u>clay</u>, sometimes adding <u>charcoal and ash</u>. 3. They <u>baked</u> the pots in a <u>fire</u> to make them <u>stronger</u>. 4. The <u>shape</u> of the pot showed its use. Pots were used for: carrying water, cooking food, storing grain, drinking and eating. 5. Pottery was sometimes used in <u>ceremonies</u>. CA 4.8 p 79 1. a) There are <u>7 Lydenburg Heads</u>. b) Lydenburg is in <u>Mpumalanga</u>. 2. a) The heads were probably used in <u>initiation ceremonies</u>. b) Historians talked to <u>descendants</u> of the people about the broken heads. c) After an initiation ceremony the heads were <u>smashed and buried</u> in the ground. They believed it was bad luck to keep this kind of pottery once the ceremony was over.
<u>GEOGRAPHY</u> Workbook p 24 Memo	<u>Glossary: Physical Features</u> • Open your Workbook to page 24. Write the date in the top left-hand corner. • Match the words below to the correct description on page 24. • Write the word neatly, in print, in the correct block. catchment area valley rivers Highveld cape bay coastal plain plateau river mouth source hills escarpment Namaqualand coastline tributary • Use the memo in the memo folder to mark your work. Remember to do a correction if you made a mistake. • Write the correction neatly in colour.
