Hi,

Having moved to Durbanville in 1998 from Johannesburg, and living, initially in Durbanville Hills, then since 2003 in Vygeboom, I can honestly say I'm one of the true ambassadors of the Northern Suburbs !

With fond memories of those early years, when both my children, Jayd & Ryan Levy, attended Kenridge Primary School, it almost feels like the circle of life, with me now marketing my business on this platform ☺

So how did I end up in real estate and why would you choose me? My career has spanned across many varying fields and the one thing I learnt through all these experiences, is that the common thread that led to the success in each, was the relationships I built with the "people" I dealt with, so my move into Real Estate, almost seemed like a natural progression! I'd describe myself as very much a "people's person", priding myself in professionalism, loyalty, ethics, honesty and integrity, 5 essential ingredients which I believe are essential for a sustainable career in this Industry!

For me, good relationships with both potential and existing clients are key, so my mission is to always go the extra mile for all my clients, acting in their best interest, thereby making the process as stress-free as possible. I'd love to offer you a "no obligation" valuation on your property, even if you're not thinking of selling right now - please get in touch with me, it will be great to meet and connect!

HORSE POWERED READING

Developed by Dr. Michele Pickel, Horse Powered Reading (HPR) is an **Individual Reading Support Programme** where learners are assisted in developing their reading skills in an experiential learning environment.

Horses are an intricate part of the programme, stimulating self-efficacy, motivation and persistence. Sessions are facilitated by an EAGALA Equine Specialist and a Reading Therapist or Remedial Specialist.

Programmes include Foundational Reading, Vocabulary, Fluency, Reading Comprehension, and Phonics. Sessions are available in English as well as Afrikaans.

Contact us for more information.

A Learning Problem is a Reading Problem

Reading Therapy Grade R – 12

General aspects that handicap academic progress and lead to under achievement:

- Short concentration span
- Slow learning and work rate
- Problems with accuracy which leads to unnecessary mistakes
- Problems with reading comprehension and spelling
- Spatial relation problems which lead to wrongly copying from the board to paper

Study Courses Gr. 4 - 7

Book your seat now for our popular study course and ensure academic success
