

KPS SENIOR MIXED RELAY GALA: Thursday 4 November

This was an awesome 'home' gala for fifty U/10 - U/14 Level 3 swimmers, in lovely sunny weather.

Relay teams comprised 2 boys and 2 girls in each age group and six different relay events were swum in an hour. This is a very popular format for both swimmers and supporters: fast and furious! There was a relaxed atmosphere on pool deck and the swimmers all showed good sportsmanship. It was lovely to host our neighbouring schools, Eversdal and Durbanville, for a fun hour in the sun!

A special thanks to the swimmers who represented their respective schools and to the teachers who accompanied their swim teams.

KPS entered A, B and C relay teams to allow more swimmers to participate as relay galas are limited this term.

It was awesome to have some of the Kenridge Grade 7 swimming parents join us for the gala as we really miss the 'buzz' around pool deck. Unfortunately, space around the pool area is limited and we need to adhere to the Covid restrictions. **Morné Rossouw** from **Encodepro** livestreamed the gala for spectators at home or work. 😊

Baie dankie aan **Van Riebeeckshof Spar**, vir die heerlike pannekoek en verversings wat julle aan die beamptes en afrigters verskaf het. Julle is 'n wonderlike en getroue borg vir Kenridge swem en ons waardeer julle vrygewige gesindheid.

Die swemmers in die Eerstespan, lyk spoggerig met hul nuwe sporthemde en swemhanddoeke. Die span waardeer dit!

Volgende week swem van die swemmers in die Paarl.
