Hello, I'm Coach Keegan, an Honours graduate in psychological counselling, and I have a deep passion for helping kids grow and develop into their best selves. After working with children in various capacities, I realized that mentoring is where I can make the biggest impact. My primary objective is to empower kids by providing personalized coaching sessions, interactive activities, and continuous support. I want kids to overcome their fears, achieve their goals, and navigate life's challenges with confidence. I specialize in academic support, social-emotional learning, and personal growth, and I'm committed to guiding and encouraging kids every step of the way.

Sports mentoring

If your child is passionate about sports, but needs extra support to reach their full potential, then our mentoring service is perfect for them.

- 1-1 mentoring
- for all ages
- personalized programs
- mindset coaching
- in-depth understanding of career paths

Social skills mentoring

Designed to help kids developing skills they need to build meaningful relationships, communicate effectively, and thrive in social situations.

- 1-1 mentoring
- Helps with shyness, anxiety, or social awkwardness
- Communication, emotional regulation, conflict resolution & understanding social cues
- Gain the confidence & social savvy they need to succeed

Emotional intelligence & confidence

designed to help kids develop the skills they need to understand and manage their emotions, build resilience, and thrive in life.

- 1-1 mentoring
- for kids who struggle with anxiety, stress, or self-esteem issues
- Emotional intelligence development
- Improve emotional well-being

Academic mentoring

designed to help students and school pupils achieve their full potential throughout their academic journey.

- 1-1 mentoring
- Grade 1 - University
- Develop critical skills, studying habits and skills, time-management, note-taking, and career planning
