Dear Parents

STATIONERY PACKAGES FOR 2024: Grade 2 to Grade 7

Back to School Stationery for 2024 can be purchased **directly** from our wholesale stationery supplier, **Spectra Stationers**, at Glengarry Shopping Centre, from 1 November 2023. Please note that it is not compulsory to buy your stationery from Spectra Stationers.

Esmé Eksteen and her friendly staff will welcome and assist you with the purchasing of your child/children's stationery, as indicated on the attached order form. It is suggested that you take the completed order form with you to the shop.

Spectra Stationers' address and trading hours are indicated on this cover, as well as great special offers, free products, and gift vouchers.

For any further stationery enquiries, please contact Esmé directly on 083 703 3059.

Additional hard copies of the stationery list will not be issued to learners. These lists will however, be placed on School Communicator (Stationery 2024) and on the website of the appropriate grades' webpages.

Yours faithfully

S. R. Smith (Mrs)
Principal
