## A LEARNING PROBLEM IS A READING PROBLEM

Reading Therapy Grade R - 12

General aspects that handicap academic progress and lead to under achievement:

- Short concentration span
- Slow learning and work rate
- Problems with accuracy which leads to unnecessary mistakes
- Problems with reading comprehension and spelling
- Spatial relation problems which lead to wrongfully copying from the board to paper

**Hello, I'm Coach Keegan**, an Honours graduate in psychological counselling, and I have a deep passion for helping kids grow and develop into their best selves. After working with children in various capacities, I realized that mentoring is where I can make the biggest impact. My primary objective is to empower kids by providing personalized coaching sessions, interactive activities, and continuous support. I want kids to overcome their fears, achieve their goals, and navigate life's challenges with confidence. I specialize in academic support, social-emotional learning, and personal growth, and I'm committed to guiding and encouraging kids every step of the way.

### **Sports mentoring**

If your child is passionate about sports, but needs extra support to reach their full potential, then our mentoring service is perfect for them.
