

COURTRAI NIGHT GALA: Wednesday, 21 February 2024

Kenridge Primary was invited to send a small team of (U/8-U/14) swimmers to compete in an exciting individual medal gala which was held at Paarl Girls High School Swimming Pool. The other schools taking part were Courtrai, Hugo Rust, Bridge House, Paarl Girls, Noord-Eind and Gimnasium. The swimmers enjoyed the late start and competing against different schools. The competition was of a high standard and Kenridge did extremely well.

This was a gala for our top swimmers, and we entered a team of 26. There was no restriction on the number of individual events, so we selected the team solely on merit.

There were 46 events and the KPS swimmers received medals in 41 races, which is outstanding. There were 20 1st places by Kenridge swimmers as well as 7 new records set!

The gala ended with exciting ladder relays for the U/10-U/13 swimmers. The girls held onto a slight lead to finish 1st, and the boys finished a very close 2nd.
