PREMIUM, PRIVATE TUITION

At Genius Premium Tuition we have spent over 27 years and 180 000 hours understanding the specific needs and challenges of our students and, ultimately, helping them to fulfill their potential.

We design personalized tuition programmes that include:

- SUBJECT SPECIFIC TUITION
- ACADEMIC COACHING
- RELOCATION TUITION
- SATs, GEDs AND OTHER INTERNATIONAL TESTS

WHAT MAKES GENIUS UNIQUE?

WE DON'T OUTSOURCE

We aren't an agency - our tutors are on-staff employees of ours - we know all of them personally, and meet them weekly for student discussions.

WE ONLY HIRE THE BEST

In order to join our elite team, tutors must pass an 80 hour vetting and training programme. Only 1 out of 30 attractive candidates make it in!

WE SUPERVISE THE WHOLE PROCESS

Our tutors are accountable to an Education Manager, who supervises the whole process, interfaces with the school and conducts progress reviews.

WE WORK TOGETHER AS A TEAM

We spend time building trust with teachers, psychologists, therapists and any other team members involved in your child's educational future.

WE FOLLOW A PHILOSOPHY, NOT METHODOLOGY

Each student has a different way of absorbing knowledge and so we listen, assess and adapt in order to tailor a programme to enhance how they learn.

WE TEACH STUDENTS META-ACADEMIC SKILLS

We don't just teach the material, we teach the student to become independent through academic skills - how to study, schedule time, take exams and manage stress. We encourage long-term sustainable success.
