Dear Parents and Guardians

STATIONERY PACKAGES FOR 2027: Grade 2 to Grade 7

Back to School Stationery for 2027 can be purchased from 2 November 2026, **directly** from the wholesale stationery supplier, **Spectra Stationers**, at Glengarry Shopping Centre. While it is not mandatory to purchase your stationery from Spectra Stationers, there are specific items - outlined per grade - that Spectra specifically keeps in stock.

Esmé Eksteen and her friendly staff will welcome and assist you with the purchasing of your child/children's stationery, as indicated on the attached order form. It is suggested that you take the completed order form with you to the shop.

Spectra Stationers' address are indicated on the last page of the catalogue, as well as great special offers, free products, and gift vouchers.

<u>Trading hours:</u>	Monday – Friday	09:00 – 18:00
	Saturday	09:00 – 15:00

For any further stationery enquiries, please contact Esmé directly on 083 703 3059.

Additional hard copies of the stationery list will not be issued to learners. These lists will, however, be placed on School Communicator (Stationery 2027) and on the website of the appropriate grades' webpages.

Yours faithfully

C. C. Müller (Mrs)
Principal
